

Associate an Assignment with a Grade Item

The following will demonstrate how to associate an assignment with a grade item so it shows in the gradebook.

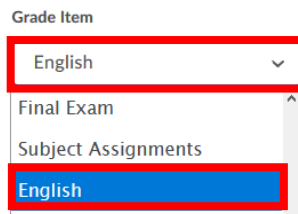

- From the course homepage, click **“Assessment”** and then click **“Assignments”**:

- From the context menu of the assignment, click **“Edit Assignment”**:

- On the properties tab, scroll down to **“Grade Item”** and choose a grade item from the dropdown list:

- Click the **“Save and Close”** button:
