What is my StarID
If you don't know your StarID, start here.

What is a StarID?
The StarID is a username that replaces many login IDs with **one ID, one password, everywhere**.
You only need one StarID: you can use the same StarID across Minnesota State to log into many services like email, D2L Brightspace, and more. Change your password in one place — starid.minnstate.edu — and it changes everywhere.
