

Microsoft Teams install

instructions for the iPhone:

1. To start the install process, go to the **iOS App Store** and search for Teams. Click on **Microsoft Teams**. Click **Get**.
2. You may need to double click on the side button of your phone to confirm. Once you do, click on **Install**.
3. Enter your Apple ID password and click **Sign in**. Then, click **Done**.
4. You should now see the app install on your Home Screen.
5. Once it has installed, you can open Microsoft Teams by clicking on the app. Type in your .EDU email address (**yourstarid@go.minnstate.edu**) and click **Sign in**.
